* A thoroughly modern internal theme will leave you so very thrilled.* Upto-the-minute joinery, fixtures and fittings in the kitchen, bathroom and laundry will excite you.* A Sunny Boy system with 20 north facing roof panels should help with your energy costs.* The home benefits in cool-cold conditions, from underfloor central heating, which is complemented by a well placed split system.* The floorplan showcases three bedrooms with built in robes, a street facing lounge, and kitchen-dining.* A carport over the front door provides ideal weather protection for your daily movements.* The double garage is single-width, but so very deep, and suits hobbyists, or storage needs.* You will love the private, covered, timber deck floored, outdoor entertaining area.* A very well maintained residence, on an equally well maintained block of 657m2.
