Built to discerning standards, this grand freestanding residence has been designed to cater to family living and entertaining on an epic scale. An impressive street presence, impeccably appointed interiors and only the finest fixture and finishes deliver a luxurious take on classic contemporary elegance with five large bedrooms and a separate studio or granny flat. Forming an integral part of Day Avenue's distinguished streetscape in the blue-ribbon heart of Kensington, the two-storey home is set on over approx. 518 sqm an easy 300m stroll to Kensington Park and 600m to the light rail for an easy trip into the city and harbour attractions. A choice of living areas, Calacatta marble entertainer's kitchen and a home cinema create the ideal environment for the executive family with an auto gated driveway to a double garage. In the Kensington Public School catchment, this leafy avenue is 800m to the UNSW campus and Kingsford's dining scene offering everything from sushi bars and noodle joints to dumpling houses and bakeries.
