\$1,500,000

This layout offers 4 double bedrooms including 1 master bedroom with ensuite and large walk in robe. A separate study or nursery, excellent family bathroom and laundry. Spacious open plan kitchen and expansive family living, separate formal dining and lounge rooms. This very versatile floor plan flows through to a wide and sun-filled alfresco living, that is undercover. a large in ground swimming pool A low maintenance, manicured front garden is matched with a secure and private rear garden, perfect as a play area for the children and for entertaining.. Special features include a double carport/garage, recently updated bathrooms, gas central heating, evaporative cooling, polished timber floors. Surrounded by popular schools and close to the station, parklands and the beach, this well loved and immaculately kept single story family home offers space aplenty for the whole tribe .
