OPEN HOME CANCELLED! Welcome to your First or next home. This circa 1990 home has been extensively renovated, with scope for even more to achieve your desired home. With 3 bedrooms and a large modern main bathroom you will be able to enjoy life here. The large open plan Kitchen and Living area is such a welcome breath of modern living. With the large drive through Carport and huge rear shed the cars and tools are taken care of. There is scope for an entertaining area in the rear yard either off the home or attached to the shed. If the kids go to school well your not to far from the school here and there is a huge playground close by, with the local shops a bit further down the road. I would be pleased to show you through the property, privately or feel free to attend the Open House
