One of the last of the originals, this mid-century home occupies an impressive block of land (approx 640sqm) providing an immediately comfortable lifestyle along with exciting options to renovate, renew or redevelop in the future (STCA). Beyond its distinctive fifties' facade, the home's well-presented interior currently comprises an entrance hallway accessing 3 bedrooms (larger master) all serviced by a neat central bathroom and separate WC. Add to this a light-filled front living room which leads through to the functional kitchen, adjoining meals area and internal laundry. Step outside to discover an expansive backyard complete with bungalow/storeroom and single garage via gated side driveway - all highlighting the property's dream dimensions and untapped potential. Walking distance to the bus stop (on Etzel Street), local parks, McNamara Avenue cafes and shops, it's also close to popular schools and kinder/childcare facilities, both Westfield and Essendon Fields shopping centres, as well as easy access to a choice of freeways.
