33 Fitzroy Street Quirindi presents a peaceful oasis set on a greatly sized 2.8 acre property in town. Nestled among natural beauty, this location offers an idyllic lifestyle, complete with the potential for keeping a horse or 4-legged friend and the charm of a creek flowing at the back of the property. Despite facing the challenges of the 2022 flood, the right side of the home remains habitable and evokes a sense of the home's original charm and potential. This part of the house boasts two comfortable rooms, a completely renovated bathroom and a living area. The other half of the home, despite being impacted, showcases a vision of potential. Prior to the flood, this section housed two bedrooms, a bathroom, kitchen, living, and laundry area. These rooms are now yearning for a new lease of life, presenting an exciting challenge for those who see the beauty in restoration. The possibilities for transformation are endless - you could replicate the original layout or perhaps reconfigure the spaces to suit your personal lifestyle and preferences. Imagine waking up to the sounds of nature and taking a leisurely stroll along the creek at the back of the property - it's an idyllic setting that will make you feel like you're living in your own private sanctuary all while being less than 3km to the main street of Quirindi! With some extra love, bring this home back to life and enjoy your own piece of paradise!
