With its generous single level layout, this appealing four-bedroom/two-bathroom home delivers a timeless design aesthetic amplified by many modern upgrades. A contemporary kitchen renovation has transformed the interior a created a natural gathering hub while its flexible footprint includes open plan living and a formal dining and lounge room to increase versatility. Extending living space, a fully enclosed entertainer's room spans one side of the home, giving you plenty of room to host large groups of family and friends in complete comfort. An attached double garage with a single drive-through bay and double driveway for off-street parking takes care of day-to-day parking while a single carport at the rear caters to watercraft or the camper. Parents will enjoy the convenience of being within a short stroll of quality childcare and Glendore Public School, helping to ease the pain of the morning rush hour. -⬜Family inclusive open plan design with easy connection to an entertainment zone -⬜Stone crafted island kitchen with modern appliances, skylight, and glossy cabinetry -⬜Double-sized master bedroom with ensuite and WIR sits away from other bedrooms -⬜Three further bedrooms (all robed) are anchored around a full family bathroom -⬜Windows are dressed in plantation shutters, floors in engineered timber or carpet -⬜Split-system air-conditioning is backed up by ceiling fans for year-round comfort -⬜Secure yard framed by easycare gardens and an established lawn -⬜Quick access to the local shopping hubs of Maryland, Fletcher and Wallsend -⬜Great base for exploring nearby State Forests and National Parks
