Expressions of Interest Closing Tue 23rd Apr at 5pm Poised on parkland in the esteemed Strathmore Secondary College zone, this surprising building reveals two updated and self-contained abodes with two or three bedrooms and two bathrooms each. Open designs offer excellent living and dining space plus impressively equipped kitchens. The three bedroom home on top flaunts five appliances, including a 900mm electric cooktop, integrated microwave and fan-forced oven, matched with lavish stone surfaces and serene leafy green views. Similarly sporting stone countertops and timber flooring, the second home showcases electric Miele and Bosch cooking appliances and spills out to a brilliantly big, covered entertainer's deck. All bedrooms are comfortably proportioned, most bathrooms are modern and equipped with rainfall showers and both homes have laundry facilities. Bonus features include a second deck, solar panels and carport. A stroll to buses, Brearley Reserve and Strathmore College, it's just a short drive to Bell Street shops, lively Napier Street Village, CityLink and Tullamarine/Calder freeway access. Highly connected, this prime position makes it easy to head into the heart of the city, out to Melbourne Airport or beyond.
