**Auction \$1,350,000 - \$1,420,000**

Boasting direct access to Cherry Street Grasslands and offering resort inspired poolside entertaining, families will love the exceptional spaces offered by this lavish single owner home. Wonderfully generous and stylishly updated to offer versatile living, a spacious five bedroom three bathroom layout is served by four distinct living domains. Beyond a wide entrance hall, extensive living and dining zones are anchored by a central island kitchen featuring a 900mm gas cooktop, Electrolux wall oven and grill and a Fisher&Paykel dishwasher, connecting keen cooks with family and friends in a space purpose built for coming together. Panoramic tree-top views from a full-width balcony form a serene backdrop to this entertaining space, while an additional sitting room flows to easy-care rear gardens where terraced decks and a spa offer endless summer entertaining beside a sparkling pool with a water feature. A sizeable Rumpus room with its own private entrance will appeal to teenagers keen on their own space or a private home office, while excellent accommodation comes via generous bedrooms complemented by spotless bathrooms, the master with his/hers walk through robes and ensuite and a modern slipper tub in a designer family bathroom. With a secret vegetable garden for green thumbs and excellent storage throughout, this fabulous family home with heating/cooling, security shutters, garage, triple carport that can accommodate a caravan or boat plus off-street parking enjoys easy access to Polaris and Macleod shopping precincts, Plenty Road trams and Macleod Station, well-regarded schools, LaTrobe University and Gresswell Forest Nature Conservation Reserve.
