Lifestyle - This lovely brick & tile home has been beautifully cared for in making this house a quality home. Situated on an elevated block this home is set to capture the breezes while being nestled amongst the trees giving the ultimate private position. Accommodation - The layout in this home is ideal for today's family, with reverse cycle air-conditioner servicing the open plan lounge/dining room. Cuddle up with a book on a rainy afternoon in the lounge and take in the peaceful view from your window. Ample storage & bench space feature in the kitchen that is complete with a dishwasher & view to the backyard/patio. Entertaining family & friends is easy with the kitchen area opening directly onto the spacious covered entertaining area, perfect for relaxing & entertaining gatherings in. The master bedroom is at the rear of the home close to two of the other rooms and is complimented by a sprawling 2-way bathroom with his & her vanities. Both the master and second bedroom have walk in robes, the other two rooms with built in robes plus ceiling fans. The large covered entertaining area is a place for relaxing & entertaining and is space that you will be proud to host gatherings in. Features - Huge laundry, flat private back yard, security screen & doors throughout, single lock up, slate flooring perfect for keeping the home cool. Tanah Merah is fast becoming an ideal family hot spot due to its affordability & brilliant infrastructure. Bus services are only streets away. It's walking distance to the local park with the Hyperdome Shopping Centre & Tansey Park Sports Club & recreation facilities (including boat ramp) just a short 2 min drive away.
