On the doorstep of Spotswood Village and less than 100m to Spotswood Train Station and parkland this location offers lifestyle and convenience. An enormous main living area featuring timber floorboards and a size that almost resemble a hall with a classic stained glass bay window provides multiple living options. A second living along with three generously sized bedrooms offer comfort and convenience, while the central bathroom showcases feature tiles and a skylight. With a stunning new feature kitchen that serves as the heart of the residence, seamlessly flowing into the dining area and a versatile multi-use space or study option. The expansive cathedral ceilings with skylights flood the space with natural light. Enjoy the garden view from the beautiful bay window. Situated on a sprawling 508m² allotment, this property offers a backyard oasis with a gazebo and plenty of family friendly garden space. A practical shed provides ample storage, and a workshop/garage space caters to your creative pursuits or car accommodation. Convenience meets lifestyle with proximity to Spotswood station for easy commuting and the vibrant Hudson Street shops. Explore the cafes, unwind in local wine bars, and conveniently shop at nearby stores – all within walking distance.
