Great new business address, extra storage location or repurpose to residential, the options are only limited by your imagination. • Solid double brick building was originally constructed as a butcher shop with current owners utilizing the property as an office / warehouse with light onsite repairs. • Ideally situated close to the hospital, and only 4 blocks to the CBD. • Side vehicle access with onsite parking along with front street parking • Other features include concrete floor throughout, 3 phase power, front side, and rear access to building. Ideal property to profit from. Call Mark Today to arrange your inspection.
