Charming and character filled this cute cottage at 33 Jebreen Street, Mareeba is the perfect opportunity for a first home buyer to enter the market, or retirees looking for a low maintenance home in great condition. Recently renovated with polished timber floorboards, fresh paint inside, restored timber doorways and a new kitchen, a new life has been breathed into this home, capturing its true charm and beauty. At the front of the home the verandah provides a beautiful spot to sit and enjoy the luscious gardens throughout the yard, that provide plenty of privacy from the street. Through the front door, the living space is the first room to welcome you, and flows over to the dining nook and new kitchen. With plenty of cupboard space, and quick access to the large back patio, the kitchen makes entertaining a breeze. All three bedrooms are a great size, and the main bedroom is extra-large and separate from the other two bedrooms. The bathroom is tucked away at the rear of the home, and is conveniently located off the laundry. The large rear patio is perfect for escaping the summer heat as it is concreted and semi enclosed to keep you out of the sun. Out the back is also the large concrete carport with a tool shed space off to the side. Situated on a fully fenced 599m2 allotment, on the corner of Mason Street and Jebreen Street this little cottage is in a convenient location with two street access and only a short walk to the centre of town. - 3 Spacious bedrooms, 1 bathroom- Polished timber floorboards, recently painted inside- New kitchen, plenty of storage and bench space- Large living area, dining nook- Renovated & well-loved home- Large undercover entertaining area, front patio- Concrete carport with tool shed- Fully fenced 599m2 allotment- Close to town, 2 street frontage To find out more or arrange a Private Inspection contact EXCLUSIVE Agent Vince Costas on 0419 926 691.
