Offering renovated touches and exceptional flexibility, just 300m (approx.) walking distance to Ringwood Train Station, almost 600m to Eastland Shopping Centre and within the Ringwood Secondary College zone (STSA), this well-presented 3 bedroom home including private sitting room, kitchen with dining area and back garden occupied shed/workshop will have many admirers. The low-maintenance and very versatile design of this home gives you so many living options. A generous front formal lounge easily has the potential to be an enormous bedroom, and sits directly opposite the main bedroom which also overflows with wonderful space. Gleaming floor tiles and a renovated feel makes the family and meals zone such a pleasure, with this space including the upgraded stone kitchen which delivers premium stainless steel Bosch and Westinghouse appliances. There are two more relaxed bedrooms including a private rear bedroom which could also be utilised as a sunroom or even a home office. Other property features include a quality bathroom with separate toilet, utility area at the rear which could also be used as a study/office, laundry, reverse cycle heating and cooling, rear garden with generous shed, and a single garage. The property also sits on a 539sqm (approx.) block and is ripe for redevelopment (STCA). This quiet street with no-through appeal has you so close to Greenwood and Jubilee Park, Aquanation swimming pool, Aquinas College, Our Lady's Primary School, Great Ryrie Primary School, Maroondah Federation Estate, Bus Station, and Eastlink.
