This neat and presentable home is situated in a high and level position on the east side of town. It offers three bedrooms, renovated bathroom and kitchen, lounge with wood heater, and a separate meals area off the kitchen which offers a serious gas/electric oven. It is well fenced at the rear and offers a solid metal double garage as well. It has been well priced to attract owner/occupiers and investors as well. rental potential here is \$300-\$330.00 per week.
