Boasting sun-soaked interiors through a spacious single-level floorplan, this two bedroom home's well-proportioned spaces and impeccably maintained finishes will impress first home buyers and downsizers alike. With huge windows that stream in natural light and substantive L-shaped living and dining that flows to a paved north-facing courtyard, this sundrenched home promises minimal maintenance living and an outdoor space to relax and entertain in. A central kitchen, quality appointed with solid timber cabinetry, breakfast bar and large pantry will impress keen cooks, while a spotless central bathroom complements oversized bedrooms with built-in robes. Set behind an immaculate front garden and completely comfortable with ducted heating, split system air-conditioning, ceiling fans, garden shed, garage plus an off-street car space, this delightful home is enviably situated to schools, zoned to Viewbank College, Price Park, River Gum Walk trails, buses, Rosanna and Heidelberg shopping and hospital precincts.
