## **Huge 4 bedroom family home!**

In a sought-after, low-traffic locale, this classic 4 bedroom one-owner home is looking for a buyer with some imagination and creative ideas to see it reach its full potential on 688sqm (approx). Surrounded by beautiful manicured gardens, the traditional, yet expansive floorplan is enhanced by high ceilings and offers a lounge/dining domain, original kitchen/family room, updated bathroom, ducted heating, wall AC, pristine rear fruit tree garden, tandem garage and off street parking. Alternatively, families looking to settle in this prized location can build their forever home in the future if desired (STCA). Situated in arguably Clayton South's best street, walking distance to Clayton train station and shops, parklands and mere minutes to Monash University and Medical Centre. \*Please Note\* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
