This family home stands as an exquisite embodiment of modern family living. Boasting a spacious and well-designed floor plan, offering four bedrooms and two bathrooms to accommodate the diverse needs of a growing family. The attractive façade and inviting street presence gives you a positive first impression and entices you to see more! Providing a welcoming ambiance the moment you step inside, the front lounge room greets you and immediately makes you feel at home. Designed with family living in mind, the second living room with floor-to-ceiling bay window and plantation shutters provides another space for relaxation or entertainment. Enjoy the comfort of ducted evaporative cooling in the summer months, and gas points for winter warmth. Convenience meets style in this kitchen and dining area. An abundance of storage combines with great bench space and quality appliances to create a functional, family-friendly space. Someone can be in the kitchen cooking delicious meals while still being a part of the conversation with those sitting at the breakfast bar and the dining table. Stunning, raked ceiling in the adjoining dining room enhances the feeling of space, while the timber features add a warm and relaxed mood. The open-plan kitchen, dining, and living space seamlessly connects to the covered alfresco area, creating the perfect setting for entertaining guests or enjoying quiet family moments. Four generously appointed bedrooms with built-in robes provide ample space for rest and relaxation. Master bedroom serves as a parents retreat, with an ensuite, walk-in robe and ceiling fan. The fourth bedroom can easily be transformed into a home office to suit your needs. The well-appointed 3-way bathroom caters to your daily needs, and contains a generous glass shower, bathtub, stylish powder room and separate toilet. Providing plenty of storage thanks to built-in cupboards, the large laundry opens directly to your backyard. The fully fenced backyard with established gardens and trees is perfect for BBQs or just enjoying the peacefulness of this private backyard. Whether you need a workshop or storage space, this shed on a concrete slab will tick this box too! Attached double garage with remote door allows for easy access, especially on those wet days! Peacefully located at the end of a quiet cul-de-sac, and set on a huge 1,268sqm block. The generous layout, outdoor space, and modern features make it an ideal choice for a family seeking both style and functionality in a beautiful sought-after street.
