A matter of steps from Victoria Gardens Shopping Centre and tranquil Yarra trails, this period inspired gem offers a low maintenance lifestyle with multiple outdoor spaces and sensational sunlight. Accompanied by spacious robes, two sizeable bedrooms are served by a superb central bathroom with standalone bath and twin head shower, with a private side courtyard enhancing a generous main bedroom. Enjoying seamless flow into a north facing entertainer's yard, a lengthy living/dining area sees exposed timber beams enrich towering, vaulted ceilings, with full height windows bathing a superb main section in all day natural light. A wraparound kitchen features a Smeg oven and dishwasher, stainless gas top, and plentiful cabinet space, while additional standouts include ducted heating/cooling, hardwood floors, NBN, a ceiling fan, European laundry, and secure driveway space. With the popular Mountain Goat Brewery, Royston Hotel, Veneziano Coffee Roasters, and Yarra River at the end of the street, it's within easy reach of city bound transport and Richmond's respected schools, while a short walk to the famed retail, dining, and nightlife of Victoria Street and Bridge Road.
