The spirit of relaxed living is alive and well in this cherished lifestyle package. Cleverly updated in a way that blends its traditional personality with modern elements, this home offers fresh and bright spaces that are perfect for the indoor-outdoor living experience we all crave. A four bedroom/two bathroom footprint is a rare find in this suburb, and here it teams up with open plan living for a thoroughly modern lifestyle. Resting behind a white picket fence with secure off-street parking being another highlight, this great entertainer is located a block away from local shops and pubs, is only 900m from Waratah Village, and 15 minutes from Newcastle CBD and city beaches. - A single-level beauty with a modern renovation injecting style - Open plan living with stackers doors opening wide to an alfresco setting - Separate outdoor dining and sitting areas plus a gleaming in-ground pool - High gloss Caesarstone kitchen fitted with s/s appliances and gas cooktop - Four big bedrooms, three robed and the master with modern ensuite- Statement main bathroom with luxe stand-alone bath and walk-in shower - Ducted AC for comfort, crisp colours and plantation shutters for good looks- Beautiful street appeal and side access to a secure off-street parking - Great base for hospital staff - only 550m to the Mater Hospital - 600m to Waratah Village, 750m to St Philips Christian College
