Tanah Merah is central, elevated and traditionally was characterized by very large allotments. Build the acreage dream without the upkeep! With direct street frontage, these blocks are set to be highly desirable. There is the potential to build a custom-designed home on these magnificent parcels of land without fear of over capitalizing. With power and water access to both blocks, enlist a builder and get underway today! Marketing agent Nathan Strudwick said, "The building pads are ready and waiting for a dream home to be built. Land of this size, halfway between Brisbane and the Gold Coast is becoming increasingly rare and in short supply. If your family is looking for the perfect new build with a backyard and convenient location to amenities for all the kids commitments call me." • 2 X 2000m² blocks available • Blocks clear and ready to build • Direct access to M1 Motorway • Within minutes of the Loganholme busway station • Less than 3 minutes to Logan Hyperdome, specialty shopping, cinemas & eateries • Handy to state and private schools, child-care, specialty services and community facilities. • 5 minutes to Springwood Business Centre • 30 minutes to Brisbane • 30 minutes to the Gold Coast
