A sanctuary of striking architectural design, this newly complete dual level residence offers a sophisticated living experience. High pitched ceilings, skylit stairs and wide corridors create focal points, with this beautifully considered palette incorporating brushed nickel hardware, curved mirrors and timeless surfaces of marble and timber. Dual living areas and a flexible office offer plenty of appeal for established families, with a north-facing alfresco area coming complete with a plunge pool and entertaining terrace. On a wide street with exceptional handiness, the home is placed a walk to Mascot Station, parklands, St Therese Primary and village life. • Open plan family living space plus extra upstairs lounge • Timeless marble kitchen with Smeg appliances and gas • Alfresco living area with pool and BBQ • Two ensuite bedrooms, master includes a walk-in robe • Wet room with bath and Parisi bathware • Office suite with workstation and private street entrance • Automatic garage plus driveway spot, A/C, powder room
