If you are serious about a Queensland lifestyle change; soaking up the stars and listening to the birds in the tall lazy gums that surround you without a care in the world - this is a rare one. In a beautiful rural residential area of Bouldercombe. A short drive to Gracemere and Rockhampton. Set amongst shady gum trees, this picturesque Queenslander is solid, and still maintains many character features. Fully concreted and lockup under, plus 4 carports and a rustic old train carriage for storage. On nearly 2.5 acres, high ceilings, polished floors, front veranda and 'star/sun/entertaining deck', 3 generous bedrooms plus sleep out, and room under, bore, tanks, and so much peace, quiet, and privacy. What a pleasure to come home to. Call John to arrange your appointment. 0435 819 300
