On just over a quarter of an acre in the quiet town of Forest Hill, this home packs a punch on size. Step off the front deck into the large open plan lounge and dining rooms with polished timber floors. Air conditioning and ceiling fans make for a very comfortable area. There are five bedrooms with the master having a small ensuite and its own side entrance to the house. All rooms are a good size with ceiling fans and one has an air conditioner. Fully fenced yard with garden shed. Remove the side steps and have access to the rear yard where there is plenty of room for a large shed. Although the house needs some improvement there is nothing stopping you moving in and enjoying all the town has to offer in the meantime – short drive to the university, short distance to the primary school, bus stop, local hotels, cafes and gift shops. Currently tenanted for \$410 per week.
