Embrace the coastal lifestyle with this beautifully renovated and updated property that guarantees you the space, style and location your family deserves. This immaculately renovated, two-storey home boasts uninterrupted ocean views, catches a beautiful sea breeze and is just 500 metres from the ocean. On the gently winding seaside drive to this gorgeous property, you will begin to relax and when you step through the doors you will feel immediately at home. This quality-built family home boasts four bedrooms, a dedicated work-from-home space and three distinct living areas, so that the entire family can live their busy lives in the comfort and space they require. Past the open-plan kitchen, dining and living space and through the rear glass doors, you will find two separate outdoor entertaining spaces and a huge, level yard. Currently this is home to fruit trees and a raised vege garden but there is plenty of room for a ninja course for the kids, maybe a trampoline from Santa if they have been good or, potentially, a sparkling pool. This sublime home has been given a new lease on life with fresh paint inside and out, soft, new carpets underfoot, brand-new, white blinds dressing all the windows and new ceiling fans in the bedrooms. With all the hard work done you can sit back and enjoy the coastal lifestyle that is at your doorstep! Head out for a surf before work, grab a coffee from Roasted on Redhead on the way back and sign the kids up for Nippers. You are home!
