Absolutely love the character of this gorgeous circa 1930 cottage with modern upgrades including a rear extension. There are three bedrooms, master bedroom has access to the two way bathroom (which is splendid) a generous living room off the solid timber kitchen with walk in pantry. Some features include but not limited to reverse cycle air conditioning, Astra Walker ceramic disc taps, Victoria and Albert bath and basin, Travertine flooring to the extension plus Baltic pine flooring to the front original rooms. Within line of the character of the property there are ornamental fireplaces and high ceilings. The exterior is no slouch either, green attractive gardens including dwarf orchard, second wc, shed all set in the private picturesque rear garden. For keeping the garden as gorgeous as they currently are rainwater tank with approximately capacity of 11,500 litres. Affectionately known as "The Tardis" by friends as it may look small and humble kerbside but when you step inside it is spacious and gorgeous. Do yourself a favour and book a viewing with Sophie Tod of Blights Real Estate. Current rental appraisal is \$340 per week in the current market as at October 2023.RLA 110
