Oriented to capture panoramic district views reaching to the Macedon Ranges, this spacious four bedroom, two bathroom home delivers a modern designer lifestyle combined with enviable low maintenance credibility. Boasting a beautiful street presence, the double storey home opens to an elegant hall and a lounge capturing those stunning views. Open concept living and meals areas congregate around the generous kitchen featuring a breakfast bar and stainless appliances. Outside, a covered entertaining area enjoys an ideal alfresco setting in the peaceful rear garden. There is also a bedroom and powder room to this level. A contemporary staircase with timber slat screen ascends to the 2nd storey where a full width balcony takes in even more of those amazing views! There are three bedrooms and a study area to this level, including a master bedroom with views, a walk-in robe and modern ensuite. Further luxury is discovered in the central bathroom complete with a shower and spa bath. This exceptional property also includes a remote controlled double garage (accessed via Peppercorn Lane), built-in robes, heating/cooling, and an internal laundry. Situated in an elevated and highly convenient dress circle location close to Sunbury township shops, cafés, restaurants, schools, and transport options, this is the high-end lifestyle you've been seeking!
