## **\$52,000 GREAT PARCEL OF LAND**

This great block of over 2,000 square metres situated opposite a bushland park is the place to build and enjoy the serenity of it all as feels like rural living yet is close walking distance to Quorn's hospital, school and town centre cafes and hotels. The property is partially fenced and has a 40 metre frontage with electricity available. With minimal land for sale in the area now is the perfect time to acquire and reside.
