**\$175,000**

Finding good sized blocks like this one are getting harder to find, and the price point supports a good weekender or a dream home within a budget. The property size is 17 hectares and 8000 m2 being very nearly 44 acres with great road frontage and next door to the feries, it is well located and priced to sell. For further information please call Todd on 0409 532 489
