With an exceptional outlook, the contemporary design of this multi-level home is unique. With a choice of living areas, four bedrooms (two of which contain both an ensuite and walk in robe), a fantastic spa room with a heated hydro-therapy spa, all capturing the absorbing views. The kitchen features quality appliances and joinery and leads on to a sunny entertaining deck. The media room features black out curtaining, a mounted ceiling projector and surround sound speakers. A well sized galley style office is adjacent. Set on a terraced allotment featuring low maintenance landscaping, raised vegetable gardens with dripper irrigation system and established fruit trees. Amazing scenic walking trails and mountain bike park within close proximity and only minutes to premier east side schools. - Beautifully maintained and presented - Architecturally designed with cross ventilation to capture cool breezes- Blackbutt flooring throughout- Feature stonework fireplace in family room- Four car accommodation (over two levels)- An abundance of storage- Solar panels and rainwater storage- Well insulated including under floor insulation- Multi room audio system
