This apartment features two bright, large bedrooms with floor to ceiling windows and built-in wardrobes. The master bedroom comes with an ensuite with a bath and a shower. An independent study room provides more personal space for you. Designed by Cox Architects and Fender Katsalidis, Sapphire By The Gardens is a luxury residential tower alongside the 5-star Shangri-La international hotel. A sky bridge connects the two towers - creating an iconic sculpture in the Melbourne city skyline. Located on the northern position of the Melbourne CBD and located opposite the UNESCO World Heritage Carlton, Sapphire By The Gardens will undoubtedly be one of the best-positioned residential buildings in Melbourne. Sapphire By The Gardens offers everything residents need to enjoy a true luxury lifestyle. From the 24-hour concierge in the magnificent lobby to the sky bridge high above. The two towers will also be home to one of Melbourne's largest ballroom, private dining and bars, and a range of relaxing pool, spa and wellness spaces.
