This beautiful home merges traditional features of yesteryear with the contemporary comforts of today, all while sitting on an established 1,110 sqm block with a beautiful outlook, neat and tidy gardens, plenty of parking and fully fenced grounds. The spacious inside with its high ceilings features open plan living, a large updated bathroom with claw foot bath, split system air con and flued gas heating that sits in the original fireplace with another fireplace in the main bedroom. The National Park outlook can be seen from the covered deck area which drops to a second deck for extra outdoor living space. The well maintained yard includes a chook pen (with fox proof fencing), 2 sheds, a garage, 3 carports and extra room for caravan and/or boat. You will love the proximity to the local Village, cafes, restaurants, schools, bowling club, transport, and Lawson pool.
