\$810,000

Set on approximately 1500m² is this recently renovated, quality-built, 4-bedroom, 2 bathroom, home offering serenity and space amidst established landscaped gardens. Features of this architecturally designed home include:

- Large windows providing an abundance of natural light
- Beautiful, exposed timber ceilings throughout
- New kitchen with central island bench/breakfast bar, gas cook top, wall oven, dishwasher & very large walk-in pantry
- Main living room with wood fire heater, mantel piece & tiled hearth
- 2nd family living room
- Study area
- Generously sized main bedroom suite with 2 walk-in robes & en-suite with double vanity
- 3 remaining bedrooms have built in robes & are serviced by a recently renovated central bathroom
- 2 split system air conditioners
- Alfresco with pergola adorned with vines making an ideal entertaining area
- Carport with storeroom PLUS plenty of off-street parking
- Low maintenance gardens, garden shed and 2 x water tanks for household use
- Courtyard garden

This liveable, home with a north facing aspect offers a flowing, light-filled floor plan where the interior and exterior converge seamlessly. So, do not delay, call our office for more information and to book your inspection today.
