Phone Enquiry ID: 224285 Set in this beautiful picturesque property is 10 acres of magnificent views across the blue mountains, with an abundance of wildlife. The property backs on to national Park, ensuring the owner has plenty of privacy. The property has two building permits, with a great opportunity for off the grid living. No more rising electrical and high living expenses. The property has an area already flattened for building and a dam. It has highway frontage and only five minutes from the town centre and ten minutes to recreational camping and boating.
