Historic 1-2 bedroom inner-city cottage, available 02 May. This cottage, formerly "The Spotted Cow Inn" way back in the 19th century, has been transformed into a cute one bedroom with study or 2nd bedroom inner city apartment. It retains its character but has a modern kitchen; dramatic bathroom with hidden laundry; huge bedroom; and cosy wood heater in the lounge. A second bedroom or study is accessed via a step ladder to the attic above the lounge. Externally there is a small low-maintenance private courtyard/entertaining area, and to top it off this great apartment has off street parking included for one vehicle! A 5 minute walk into the CBD, perfectly located for the stylish single or couple.
