Here is a rare opportunity to secure a great duplex half in the ever-popular Dunstan Street. This 2 bedroom unit has a classic design featuring cathedral ceilings and exposed beams to give a feeling of open space in the living area as well as reverse cycle AC. Lounge and separate dining areas with a functional kitchen that has a handy breakfast bar and a brand-new oven. Both bedrooms are generous in size both with BIR. The bathroom is very handy with a Roman-style shower over the bath with a rarely seen mini atrium window. There is a lock-up garage and 2 separate courtyards for relaxing or entertaining this summer.
