The Halls Head Village is a cosy intimate over 55's retreat of self-contained units. The community is welcoming, friendly and encouraging of participation to its events, but you will also find it is respectful of the need for your own space. It is a place where the manager and handyman know everyone's name, where the family pet is welcomed and you do not feel like you're living on top of each other. The Villas: Villa 34 is a 1 bedroom Mediterranean-style strata villa with a private courtyard to make the most of the area's warm climate. Each villa features a modern kitchen with generous cupboard space, extra large master bedroom and a reverse cycle split air-conditioning system in the lounge area. The patios in the courtyard are large enough to enjoy outdoor living, while the green thumbs have the space to go about creating their gardens. Village Facilities and Location: The air-conditioned clubhouse is the social heart of the village and is a great place to meet with family and friends or enjoy a range of sporting and social activities. You will often find some of the residents engaged in a friendly game of indoor bowls, a game of snooker in the billiards room or playing bingo. The outdoor barbeque and entertaining area is also a popular spot for casual get-togethers. The village bus makes regular trips to local shopping centres and attractions and for the times when you prefer to stay closer to home, you have your own village hair salon, as well as a consulting room for visiting health professionals. The village offers an amazing lifestyle with a great community spirit. Come down and see for yourself at one of our open days or contact us to arrange a private viewing or request more information.
