With a view for the ages, this gorgeous modern apartment sits directly on the river on the sheltered/best side of this tower. This really is a beautiful and immaculate apartment with a big living area and great stone kitchen with double sink, built in dishwasher and microwave, loads of cupboards and drawers and large fridge recess. Downlights throughout and a big master bedroom with crisp ensuite with floor to ceiling tiles and triple mirrored built in robes and an amazing private balcony with full shutters creating indoor/outdoor usage. Second big bedroom with built in robes and main bathroom with a bath/shower and stone vanity and laundry facilities included. State of the art security and underground parking for TWO cars and a big storeroom. The main balcony is impressive with spectacular views up the river and over the sparkling pool below. This is one of the best run groups in Perth with resort style facilities. In addition to the pool, there is a spa and gymnasium, sauna and recreation room. Right on the banks of the Swan River, close to the CBD, Optus Stadium and casino, schools, shops and transport and on the main artery to the airport. Register to view.
