A elevate 780sqm corner block with view to the ocean and breezes to enjoy all summer long. This sturdy 3 bedroom weatherboard home has been enjoyed by the same family for around 62 years. It has been enjoyed by children grandchildren and great grandchildren. The home is certainly clean and comfortable to move in straight away. The layout works well with polished floorboards flowing throughout the home. The heart of the home being the kitchen is centred in the middle. It opens out to the dining and there is a fabulous back room which is filled with natural sunlight and works extremely well as a 2nd lounge area. Each bedroom is carpeted and is of good size. A opportunity to enjoy the fenced front yard or the backyard offers plenty of space for the young ones to run around. As for storage there is no shortage with workshops and garaging. Circle this one to inspect as the family are ready to listen to all serious interest. Come along and enjoy everything Charlestown has to offer!
