Here is your opportunity to purchase this beautifully presented modern contemporary home. Built by Coral Homes the Monash 29 design is one of the most popular they produce, and we can see why. The home has a well thought out layout with a practical feel. It has such elegance about it as soon as you walk through the door, you will see that the owners have spared no expense by the luxury fixtures and finishes throughout ensuring this home offers an executive style and sophistication. Homes like this are hard to find in the market today. Situated on a 383 m² parcel of land and on a corner block the home offers an oversized outdoor entertaining space and a low maintenance garden ensuring the home caters for the buyers that are looking for a home they can accommodate kids, pets and perhaps a swimming pool. Properties like this do not last in a fast-paced market so get in quick and contact Jay & Michelle Peters on 0404 999 593 today to book in an inspection!
