Built in the early 1960's by a meticulous father and son team this solid 3 bedroom home has stood the test of time. Featuring all of the classic hallmarks of the era, you'll feel like you've stepped back in time. The master bedroom is spacious and has built-in robes as does one of the kids bedrooms. The bathroom is separated into 3 rooms including a shower room with hand basin, a bathroom with hand basin and a separate toilet. The property also boasts 2 living areas, a light-filled sunroom/study, ornate cornices, loads of storage as well as hardwood floors throughout. Outside there's a hills hoist, single garage and workshop, secure rear yard and room to park 2 more cars, All set on a 537m² block the home is within easy walking distance to schools shops and public transport. Get ready to transform this grand old lady into your dream home.
