Designed to let in as much light as possible with seamless connections to outdoor living spaces, this sleek, open-plan three-bedder with two living areas delivers an exceptional Kalkallo lifestyle. Organized elegance the home surrounds its occupants with textural finishes and warm tones that helps to create a look that's simple and balanced with an eye on understated quality. A light-infused layout that allows ease of movement from room to room boasts fashionable private retreats, designer bathrooms, luxurious living areas, gourmet kitchen, and upmarket outdoor entertainment. The master bedroom suite comprises a walk-in robe and smart-looking ensuite complete shower and vanity. The additional bedrooms contain built-in robes and share another pristine bathroom, including a separate, deep-soak free standing bath and shower with a separate toilet. A bright and airy formal living room is followed by the upscaled kitchen/living/dining zone with great outdoor connections. High ceilings, clever window design, and primed to make the most of morning and afternoon sunlight, the fully-equipped kitchen boasts gorgeous countertops, ample cupboard space, space-efficient storage solutions & super-premium appliances. Inviting instant relaxation to reveal your sumptuous alfresco and natural-look gardens. Protected from the weather and looking out onto established lawn this is the ideal spot to enjoy your breakfast or a casual wine with family and friends. Other highlights include a low-maintenance front & rear yard, family-sized laundry, excellent house storage, Video intercom system, NBN, ducted heating, evaporative cooling plus a double remote garage with internal and rear yard access.
