There is truly something special about living in Pine Mountain, with its large blocks of land and stunning homes, you will feel like you are living in the country whilst still enjoying a short commute to local Schools, shops and quick highway access. This modern home sits proudly on an elevated and fully fenced 1 acre block of land that is both private and secure. An electronic gate opens and entices visitors inside to discover this open plan designed home showcasing 5 built-in bedrooms for the growing family. The stunning kitchen with its stone benches, dishwasher and ample storage space overlooks your tiled meals and lounge areas so that you can converse with the family as you prepare a family feast. Younger family members have their choice of four built-in bedrooms, all with ceiling fans and tinted windows and they also have their very own tiled retreat with storage plus their own modern main bathroom. After a hard day at work you can easily retreat to your own master bedroom with its gorgeous bay window and private ensuite and best of all your room is totally separate from the other bedrooms for added privacy. If you love to entertain then this home will be a dream come true with a large covered and tiled outdoor space to enjoy that Sunday bbq with family or friends. From this elevated view point you are able to keep a watchful eye on younger family members as they enjoy the stunning inground swimming pool with slide, or while they play in the big back yard. The home is fully equipped to handle all of the elements and features air-conditioning, tinted windows, plantation shutters, two rainwater tanks, town water and a 5kw Solar system. This wide block also offers easy access for caravans or boats so that you can easily utilise your powered 3 bay shed (7mx9m). For extra car accommodation the home also offers a carport with storage attached to the northern side and there is heaps of room available for more sheds if you so desire. Pine Mountain has always been popular with families who attend West Moreton Anglican College but there is also a large array of private and public School buses that frequent the area. The busy Brisbane commuter will love the short 44 minute drive to the CBD, Ipswich CBD is only 14 minutes away and of course if you work at the Amberley RAAF Base, you can be at work in under 17 minutes.
