Open and filled with natural light, this immaculately presented 3-bedroom home with two living areas offers you a low maintenance lifestyle with plenty of room to live and entertain. The centrally located kitchen with quality fixtures and fittings is a real focal point of this home. Boasting an open plan living design, this home provides a seamless transition between the indoor and outdoor living area through 2 large glass sliding doors. This, combined with floor to ceiling glass windows, allows natural light to fill the living areas of the home giving a bright and airy feel. There are three great sized bedrooms all with built in robes with the master offering a full walk-in robe and an ensuite. A separate living area at the front of the home is perfect for anyone looking for extra space for a media/sitting room or a home office. This low maintenance home has everything you could need to make the most of the Sunshine Coast lifestyle. It is located in close proximity to all amenities and is only a short drive to the best beaches on the coast. Be sure to capitalise on the opportunity to purchase in this location.
