This immaculate residence is brimming with luxury appointments to make your life comfortable. As you step over the threshold into the wide entry and central hallway, you will instantly sense the bright and spacious interior and lofty ceilings that carry through the entire home. Striking wide plank solid timber flooring extends from the front door, throughout the large living spaces giving the home an attractive and relaxing feel. An elegant and large open plan living plus a separate dining area both lead to a superb tiled outdoor entertaining/alfresco zone, via stackable glass doors. The timber decking adds to the luxe feeling and makes this a great place for family and friends to gather. Enhanced by an exceptionally appointed deluxe kitchen with 900mm Steel brand combi steam oven, 40mm stone benchtops, Hafele pull out pantries, large Island bench/bar, glass splash backs and substantial walk-in pantry provide all that the chef of the home desires. The spacious master bedroom enjoys a lovely outlook. A beautiful grey and white colour palette extends to the ensuite, featuring a stylish wall to wall vanity with double basins plus an extra sized shower, all flooded with natural light and featuring lovely floor to ceiling decorator tiles. Deep built in drawers and a walk-in robe give you plenty of storage. Another bedroom also features a walk-in robe with a mirrored door. The large main bathroom is tiled floor to ceiling and features a deep bathtub and extra height large shower, plus another large vanity providing double basins which adds to the opulence. Capped off with double glazed windows throughout the entire home, built in speakers in the living and alfresco, Hydronic heating throughout, reverse cycle air conditioning and an impressive gas fireplace, fully landscaped and walking distance to outdoor recreational facilities, cafes and walking/cycling tracks.
