Peaceful Bay has been the holiday destination for many fortunate families over the years, and this well presented home offers that very special chance to secure a property at "The Bay" to a new family. Built high on timber stumps, the home consists of two big bedrooms and a sleepout, open plan kitchen, dining and living area, high ceilings throughout, and a laundry and second toilet at ground level. Heaps of space for a boat and vehicles, plus three poly rainwater tanks complete the property. A much loved property for many years, the home is located in the leasehold area of Peaceful Bay, with a new 21 year lease applied for by the buyer.
