Character home that would be impossible to replace at this price, originally used as the Commercial Banking Company Branch opening in 1906. Some hundred and twenty years have seen some changes to the original design which now encompasses 4 bedrooms and 2 bathrooms. High ceilings and wide timber floors and original features abound to make this a great home to come home to. Older renovation of kitchen and bathrooms make this ready to live in now or renovate further and make this home the pride of Inglewood. Air conditioned and combustion wood heater. Walking distance to town centre, double carport and sheds. Currently tenanted so inspection notice required.
