Offering a spacious layout that's ideal for entertaining, this beautifully presented home delivers classic modern appeal in an enviable location close to schools, Gisborne township, freeway access, and amenities. Wonderfully private, the home opens to a tiled entry hall that provides seamless flow to the lounge, dining, and family areas. Serving as a central hub, the well placed kitchen is appointed with a 90 cm oven and 5-zone cooktop, with excellent bar seating. Outside, a large pergola is the perfect introduction to the delightful garden with its roses, pebbled pathways, and multiple points of interest including a Monet bridge, water feature, grapevine-trellised gazebo, fertile vegetable beds, and mature fruit trees including apple, dwarf pear, cherry, plum, and Peacherine trees. The family-friendly design of the three bedroom home includes a generous, light-filled main bedroom to the front of the home, complete with a walk-in robe and sparkling ensuite. Remaining bedrooms are fitted with built-in robes and enjoy use of the main bathroom with bath and shower. Lovingly maintained by the one owner, this ideal home on 679m² (approx.) is further enhanced by the Macedon Ranges which provide a magnificent backdrop for walks to the playground at the end of the street. Includes a remote controlled double garage with internal and backyard access, ducted heating, reverse cycle air conditioning, internal laundry, security screens to all doors, a garden shed, and a water tank.
