A very unique opportunity presents itself for someone wanting the convenience of town living but with added privacy. This beautiful home features 3 bedrooms, 1 bathroom and open-plan living, dining and kitchen; leading to a large private covered deck overlooking lush established gardens. The galley style kitchen has gas cooking and plenty of storage, with French doors that lead to a patio area - perfect for your morning coffees. Cathedral style ceilings are the main feature of this property, with wood fire heater, reverse cycle air conditioning, unique mud brick flooring and even an outdoor shower. Nestled at the very top of Hill Street it is just a short 2-3min drive to heart of Bellingen, with all its culinary delights, markets, shopping and cafes. Only 17min from our pristine coastline and just over half an hour to all that Coffs Harbour has to offer.
