\$495,000 - \$520,000

This lovely presented BV home is great for families or individuals needing extra space. With two updated bathrooms, you can enjoy modern amenities and convenience. The updated kitchen adds a touch of style and functionality to the home, making it a pleasant space for cooking and dining, and also includes a lovely updated laundry that offers such a pleasant space to work in. Having two living spaces provides versatility and room for relaxation or entertainment. Whether you prefer a cozy family room or an informal living area, you'll have options to suit your needs. Additionally, the outdoor shedding is a valuable addition, providing storage space for tools, equipment, or other items and is adjacent a wonderful entertainment space offering pizza oven, BBQ and built in sink. The brick veneer construction offers durability and low maintenance, while also adding a classic and timeless aesthetic to the home. With a 609m² allotment, there's ample space for outdoor activities, gardening, or even potential future expansions. Overall, 34 Ivanhoe Street Wendouree is a comfortable and inviting property with its updated features, living spaces, and outdoor shedding, gas heating and new carpet and lovely tile and plank flooring. Please call me now to inspect this beauty.
